

Today, blind people can read using their fingers. Little bumps printed on a page stand for letters and words. It's called Braille. Touching them, you can read without your eyes.

## Color That Stuff

Jesus cared for many people. Use your artistic skills on this image.

Mark 10

AUTUMN

**Bartimaeus was sad. He was blind and no one took care of him. He had to sit by the road and beg people for money.**

**One day, he heard that Jesus was walking by. "Jesus! Help me!" he shouted.**

**"Be quiet! Silence!" shouted a voice from the crowd. "Leave Jesus alone."**

**Bartimaeus shouted even louder. "Jesus! Help me!"**

**Jesus heard him and said, "Come here."**

**Bartimaeus ran to Jesus.**

**"How can I help you?" Jesus asked him.**

**"Teacher, let me see again."**

**Jesus smiled. "You trust that I can heal you? That's amazing faith. Now you can see again."**

**Bartimaeus blinked once. Twice. Suddenly he could see Jesus standing right in front of him.**

**"Thank you!" he shouted, giving Jesus a big hug. "Now I will follow you with the rest of your friends!"**

## Great Big Word

### Healing

Removing a disease, illness, or handicap. Healing is much more - Jesus included those who had been pushed away.

## Nice Quote!

**Sometimes, I feel I am really blessed to be blind because I probably would not last a minute if I were able to see things.**

**—Stevie Wonder, Blind Musician**

## special Task Force

Use a pair of binoculars to find birds and animals in your back yard or in a park. Write down the kind of birds and furry creatures you see. If you don't use your eyes to see, listen for the birds instead. How many different chirps can you hear?
