Important

Following Jesus was hard work. His friends walked miles and miles. They asked people to give them food. They dealt with big crowds. Some people were mean to them. But they kept going.

"Jesus will think we're awesome," said James.

"Yeah," said his brother, John. "Let's go show him how much we care."

"Jesus," they said, "give us even more faith!"

Jesus sighed. "I wish you would stop trying to be the best. Isn't it enough that you're doing God's good work?"

"I guess," said James.

"We're all just doing our job," Jesus continued. "We don't get a big, extra-special reward for just doing what we're supposed to do."

John said, "You're right, Jesus. We'll try to remember what's important."
