Mark 12:38-44

The Widow's Offering

Jesus sat down outside the temple where he could see the offering box. Rich people put in lots of money. Then a poor woman put in a tiny bit of money.

"Did you see that woman?" Jesus asked his friends? "She gave more than anyone."

"What?" asked Peter. "I saw other people give way more."

Jesus shook his head. "Those people only gave a little of what they had. She gave all she had. She is trusting God to care for her. She is showing that she loves God with all her heart and mind and strength."

"I think I understand now," said Peter.
