Mark 13:1-8

God is With Us

"Wow!" said Peter. "Look at all these fancy buildings!"

Mary said, "Look at the big stones they used to build them!"

Jesus sighed. "Soon all these buildings will fall apart and nothing will be left but a pile of those big stones."

"That's scary," James said.

"But it will all be okay. One day God will make a new earth and we will all be together with God forever."

"When will that be?" asked Joanna.

"Only God knows," said Jesus. "But before that, lots of scary things will happen in the world."

Peter's eyes got wide. "Like what?"

"Wars. Earthquakes. Starving people," Jesus said.

"I don't like that at all," said Mary.

Jesus nodded. "Just remember: no matter what happens, God is right here with you and God will make it all right in the end."

 **REMEMBER THIS**

DON'T BE AFRAID

Sometimes we hear about scary stuff in the world. We can pray and ask God to help us trust God.
