

Did'ja Know?

The word "Christmas" comes from the old English words "Christ" and "mass" (or feast). It's a celebration of the birth of Jesus.

The Word

A long, long time ago; before people, before dinosaurs, before mountains or rivers or oceans—before anything!—Jesus lived with God the Creator and the Holy Spirit, and they were all God together. Jesus was called the Word, and God used that Word to make everything there is.

The Word also gives light to everything, like a candle in the darkness. No matter how dark anything was or is, the darkness can never put out the light of Jesus.

God loved God's creation so much, that God decided to become human. Jesus, the Word and the light, became a human baby, to live with us, love us, teach us, and save us. Because of Jesus, we are all God's children and the darkness can never put out our light.

The "Word"

The message of God in the Bible, but also the message made alive in the person of Jesus.

Time for a challenge! There are five differences between the trees. Can you spot them?

TICTACTOE

Nice Quote!

God's love is a gift beyond measure that surrounds us and covers us when the fire of life rains down. It is God's love and the very reason for the season we call Christmas – or it should be.

Special Task Force

Consider donating your time to a local food shelter or other charitable organization. There are many people who need food and other necessities during the winter. Ask an adult how you can help.
