

Often, a teacher or prophet would go out into the desert to pray and think over their mission for God. It was just like that for Jesus, too.

## The Season of Lent

February 21, 2021

Mark 1

Jesus had an important job to do. He was going to share God's love with everyone in a whole new way. It was going to be a hard job, but God was with Jesus and helped him get ready for it.

First, Jesus went to the Jordan River and asked John to baptize him. When Jesus came up out of the water, God's voice boomed out, "You are my son and I love you!"

Then, Jesus went into the desert to wander and think and pray for many, many days.

Now Jesus was ready for whatever God asked him to do. He went out and began to tell everyone, "God's beautiful kingdom is here! Change your ways and love God!"

## Great Big Word

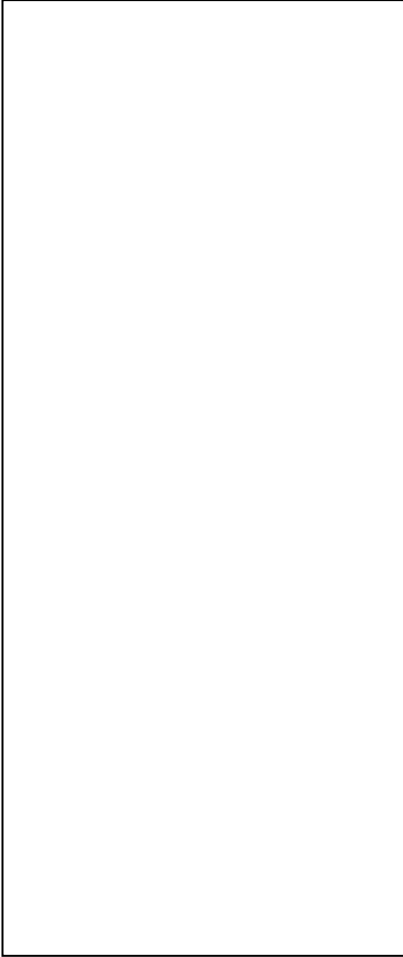

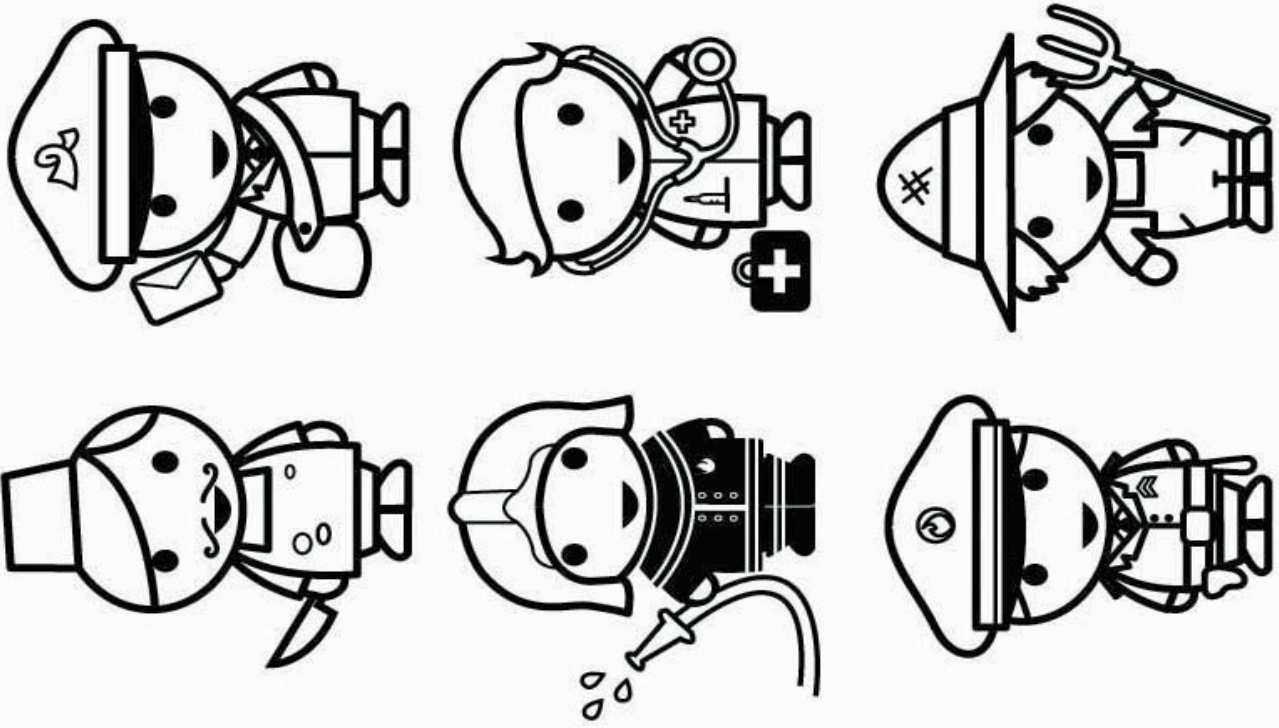

### God's Kingdom/God's Reign

The rule of God. It's yesterday, today, and tomorrow. God is forever.

# PICTURE IT

There are many different types of jobs people do. What do you think you'll do when you grow up? Color the pictures then add your own in to the right.

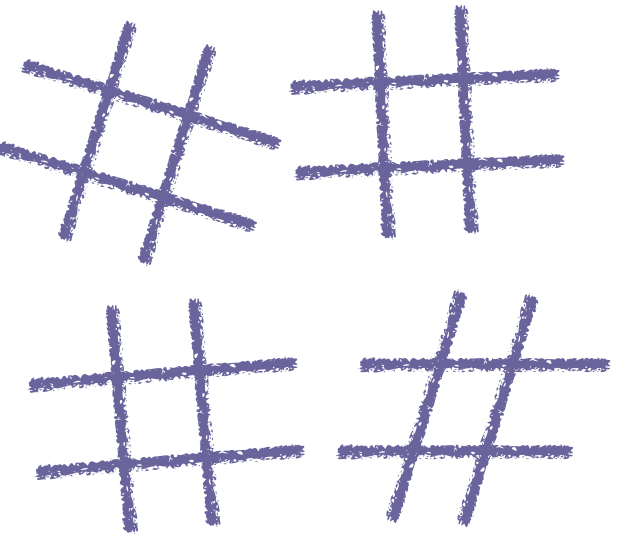

## special Task Force

Set an alarm on a cell phone or clock for 10 minutes. Take that time to pray and/or think about what you're good at. How can you help others? Was it hard to take 10 minutes to do this activity? How do you think Jesus managed taking 40 WHOLE DAYS out in the desert?!

## Try it At Home

Ask a parent or other trusted adult what they do for a job. Is it something they always wished to do?
