## Who is Jesus?

Jesus' friend Mary said, "You're really famous now."

"Yes," said John. "Everyone is talking about you and all the wonderful things you do and say."

Jesus asked, "Who do people think I am?"

"Some say you're the prophet Elijah come back to life," said Joanna.

"Some say you're John the Baptist," said Susanna.

"Some say you're one of the ancient prophets," added James.

Jesus scratched his chin. "That's interesting. But I wonder...who do you think that I am?"

Peter stood up straight and tall and looked Jesus in the eye. "You are the Messiah. The special one that God promised to save all God's people and the world."

"You're right," Jesus said.

"But what does that mean, exactly?" asked Mary.

Jesus said, "Keep following me and you'll see."
