

Did'ja Know?

If ALL the wealth in the world was divided equally, every man, woman and child would have around \$30,000. Pretty amazing!

Luke Chapter 16

Jesus told the people a story. "A man got caught wasting money at work. His boss told him he would have to leave. He was scared and sad. Before he left, he helped some people who owed his boss money. He knew they would help him, too. 'That was smart,' his boss said."

"I don't get it," a man said. "What does the story mean?"

Jesus said, "No one is perfect. But anyone can do good in the world. So imagine how much good you can do if you follow in my way?"

"I'm still not sure I get it," said a woman.

Sometimes we still don't understand some of Jesus' stories. But we can still try our best. If we always put loving God and other people first, we're on the right track.

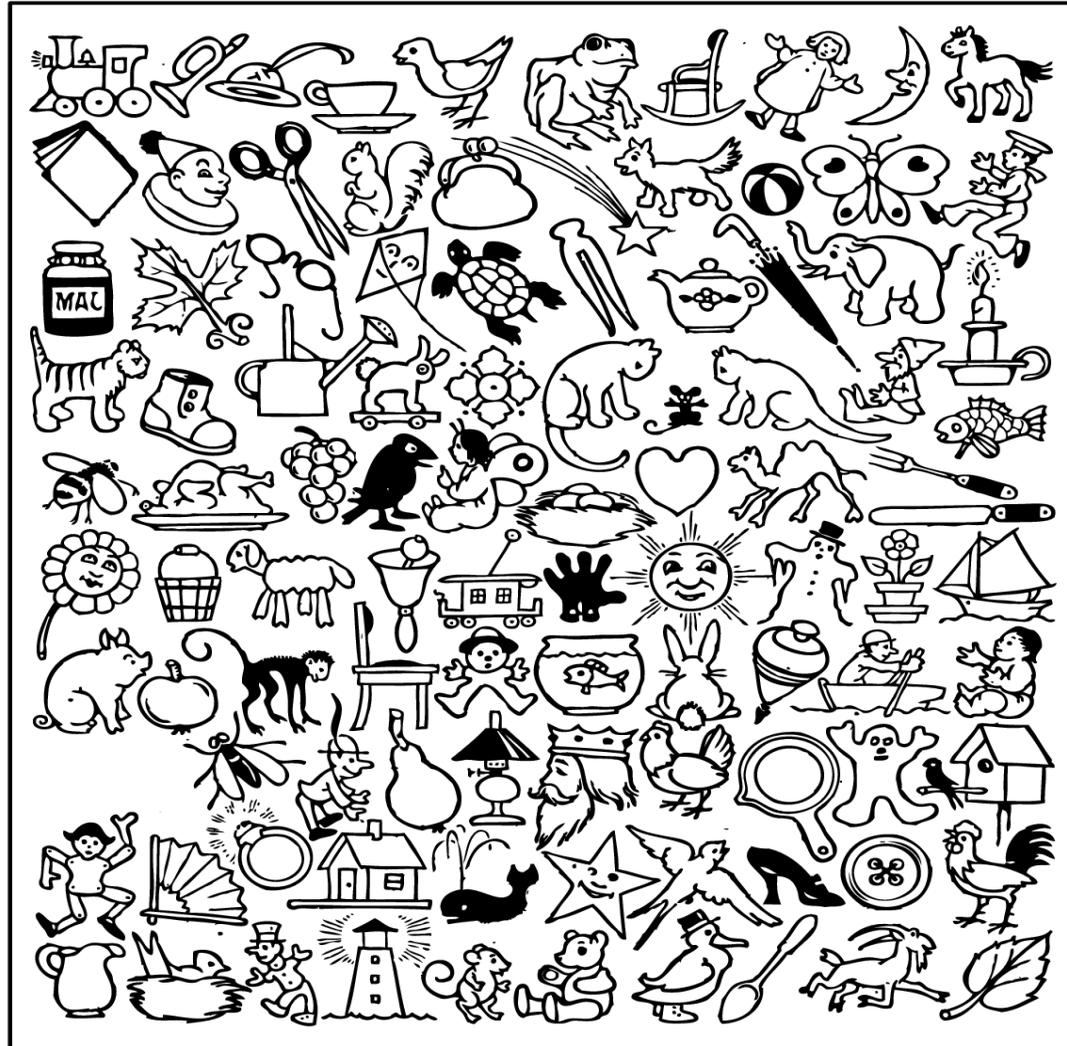

Honesty

Telling the truth, even when it's hard to do. But remember: God will help you.

Spot the Stuff

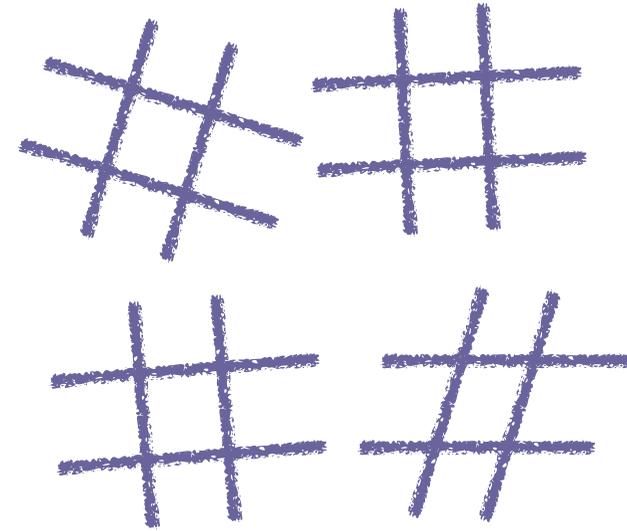

The RCL Kids want to share all the stuff in the picture. Help them find it all!

Use a colored marker or crayon to find:

1. All the animals
2. Things that are toys
3. Things that are shiny
4. Things you wish you had
5. Things you want to give as a gift

Nice Quote!

When we share, we open doors to a new beginning.

Special Task Force

This week, try to be super honest. That doesn't mean that you have to be perfect – no one ever is. It just means that you look to God to let you know that, no matter what happens in life, you can be truthful and God will always accept you.
