

Executive Council
Immanuel Lutheran Church
May 14, 2019

Members present: Paul Savereide, Beth Hansen, Pat Hammer, Tami Ehlers, Paul Nelson

Tami gave devotions.

Secretary's report: Paul Savereide moved to approve the minutes as amended, second by Paul Nelson.

Pastor Update: Two funerals this month went smoothly, Palm Sunday, Holy Week and Easter were very well attended. Dan Schwartz gave a wonderful concert kicking off our capital campaign. We had a good financial month. The Building Up Campaign currently has 112 pledges for \$570,000. The average pledge is \$5,000. Paul invited us to pray for people who haven't been to church for a while. Fall theme is Everyday Worship.

Old Business: Beth looked at some audit procedures from other churches. The audit committee should specify that their report is done following procedures set in place by our church bylaws. There should be a draft of the report signed by all committee members. Beth will send a summary of these procedures to the committee.

New Business: Beth submitted a summary of the last council meeting to the Monday morning e-blast.

Next month Paul meets with Jeff Kjellberg to follow up with the 'Why Church?' conversation.

The meeting adjourned.

Pat Hammer, council secretary
