Immanuel Lutheran Church of Eden Prairie is committed to a growing partnership in ministry with Redeemer Lutheran Church, Minneapolis. Not only are we building relationships with our brothers and sisters at Redeemer and in the neighborhood, we are committed to financially supporting the work Redeemer is doing in the community.

As Redeemer seeks to secure the funding to complete the 1813 Glenwood Avenue Construction project which will provide student housing to Seminary and College students learning about urban ministry, Immanuel declares its intention to give \$106,000 from our 2016 Capital Appeal to help pay the debt incurred in this building project. \$100,000 of these funds are intended to pay mortgage debt, and \$6,000 of these funds will cover construction supervision costs.

Immanuel raised \$1,775,000 in pledges during our last Capital Appeal during the winter of 2011. This is a 5 year appeal and to date, in just a little over a year, well over 1/3 of the monies promised have been received. We expect our entire mortgage debt to be retired by the beginning of our next appeal. In addition, the Immanuel congregation remains exceedingly generous toward our annual operating budget, allowing Immanuel to maintain a strong financial position.

While this is not a guarantee, we are confident in our ability to meet our declared intent of giving \$106,000 from our next capital appeal to Redeemer Lutheran Church in order that they might secure funding to complete this important project. Please contact us regarding any questions.

Sincerely,

Pastor Paul Nelson, Sr. Pastor
